WATER RATE BATTLE DRAWS NEAR END OF FIRST ROUND TODAY

Company Completes Case This Morning
City and County Calls E. W. Wood
Regarding Audit of Records.

By Bob Ward
Marion Star Staff Writer

MAY 12—Taking of testimony before the public commission in the rate battle between the Marion Water Co. continued today, drawing near the end of the first round. The company concluded its case this morning by calling R. E. Carhart, chief engineer of the water company, to the stand. Carhart testified that he had a list of 10 cities in the state which the water companies had reduced their revenue due to increased industrial production. He said they did not lose the 80 per cent of the revenue.

Rural School Pupils Get Scholarship Awards

Presentation Made by Society of Honor; O. S. U. Professor Speaks.

County school pupils received recognition for scholarship awards and service to the community at a presentation dinner given by the Society of Honor at the Marion Hotel last night.

The presentation was made by the Society of Honor, a group of young people who are interested in the betterment of the community. The group was organized last year and has since been active in many projects.

O. S. U. Professor spoke at the dinner, giving the pupils a word of encouragement and advice. He said that the pupils should continue to work hard and to serve the community.

Pupils Honored
The 26 pupils who were honored were:

Angie Bicker and Catherine Conner of Morris school; Wilma Carter and Genevieve Kelly of the Marion school; Adeline Clark, Forrest Middleton, and Fred Richards of the Chardon school; Ruth Cleveland, Betty Clements, Debra Hader, and Jeanne Montgomery of the LaRue school; Robert E. Brown of the Agoston school; Mildred Fawcett, Margaret Gorman, Lillian Grier, and Harold Lantz of the Walsh school; Mary Jane Egan, Janet Geddes, and Meredee Hildman of the Caledonia school; Maxine Gorman, Margaret Hill, Charles McWhorter, and William McKinstry of the Prospect school; Robert Hickman of the Meeker school; Evelyn Kay, Edna Webster, and Mary Young of the Pleasant school; Lorraine Gossard and Hone Ruth of the Green Camp school.

Full-time are the 26 pupils honored.

Jane Bailey and Clara Ellen Laver of the Caledonia school; Helen Baker and Betty Brooks of the Kirkpatrick school; Loretta Beckel, Margaret Ringer, and Edna Schweinfurth of the Walsh school; Phyllis Rawling and Mary Unger of the Green Camp school; George W. Bailey and Phyllis Miller of the Meeker school; Dorothy Burley and Birdell Fox of the Caledonia school; Ruth Deanna, Janet Lantz, and Henry Nickel of the LaRue school; Jeanne Drake and Dorothy Korndy of the Agoston school; Lowell Douce and Maxine Rogers of the Meeker school; Margaret Hill and Genevieve Northrup of the Prospect school; Mary Hopman and Minnie Zachman of the Pleasant school; Margaret Nuggie and Junior Wiley of the Meeker school.

The society was organized to "create enthusiasm for scholarship, stimulate a desire to render service, promote leadership and develop character." The pupils honored were selected by faculties of the various schools, from among the highest 10 per cent of the seniors and highest 10 per cent of the juniors and on a basis of 100 points for each of the four measures of achievement. Juniors who received certificates this year will not automatically become members as seniors, but will have to continue their present high attain-

Post Auxiliary Recalls First Poppy Day Sale

Marion's first poppy sale was conducted Saturday, May 28, 1931. It was recalled today by the auxiliary to the Marion Legion, whose members are sponsoring the 1935 sale, Saturday, May 29.

Those flowers, the auxiliary recalls, came from France, and were made by the war orphans of France and Belgium. They were of silk and in two sizes, large ones which might be used for wreaths or decorative purposes and smaller ones for lapel decorations. The auxiliary received 25 cents for the large ones and 10 cents for the smaller ones. The money derived from the first sale was given to the war orphans of France and Belgium.

The flowers today are made by disabled veterans and serve the double purpose of providing work for the men throughout the long months and a source of revenue for them. Proceeds of the sale in recent years have been used by the auxiliary in carry on its program of welfare work in the families of the less fortunate veterans in the county.

The first sale was conducted a year after the organization of the auxiliary, during the administration of Mrs. Charles D. Schaffner, the first president. Serving with Mrs. Schaffner as a committee were Mrs. L. P. Shook and Mrs. C. E. Barger.

The "blood red poppy" was selected as the emblematic flower of the Legion following the composition of the poem "In Flanders Field," by Colonel John McCrea of Montreal, Canada, who was killed in action on Flanders Field. He wrote the poem after his attention was called to the flower which reminded him of the flaming torch of liberty that the dying boys were so ably supporting.

Mrs. Harry Baldauf is general chairman of the 1935 poppy day sale. She will be assisted by teams composed of members of the auxiliary working from 7 a. m. until 2 p. m. The auxiliary hopes to dispose of 2,500 flowers. Mrs. Baldauf said today, in discussing plans for the sale.

ROTARY HEARS TALK ON SUGAR INDUSTRY

Merits of American Grown Best Product Explained by Association Official

The American Sugar Cane Industry Association, Inc., held a public hearing at the Hotel Commodore last night to discuss the merits of American grown sugar. The hearing was held at the request of the Rotary Club of New York City, which has been active in promoting the use of American sugar.

Mr. J. W. Smith, president of the American Sugar Cane Industry Association, Inc., was the main speaker. He explained the various uses of sugar and the benefits of using American grown sugar. He stated that American sugar is of the highest quality and is produced under strict supervision.

Mr. Smith also discussed the economic benefits of using American sugar. He pointed out that the sugar industry is a major source of employment in the South and that using American sugar helps to support the local economy.

The hearing was well attended and many questions were asked by the audience. Mr. Smith answered all questions and provided a detailed explanation of the sugar industry.

Don't Sleep When Gas Presses Heart

Want to really GET RID OF gas and terrible bloating, don't expect to get it just by doctoring your stomach. It's a matter of the gas pressing against the heart and making it impossible to breathe. This is a dangerous condition and can lead to serious complications.

Don't sleep when gas presses against the heart. This is a warning sign that you need to take action. There are several ways to relieve gas, but the most effective is to use a combination of diet and medicine.

Dr. J. W. Smith, a leading expert on gas, has developed a new treatment that is safe and effective. It is called "Gas Relief" and it works by relaxing the muscles of the stomach and allowing the gas to escape.

RATE HEARING NEAR END OF FIRST ROUND

(Continued on Page Two)

The rate hearing on the proposed new rates for the city of Marion is now in its first round. The hearing is being held by the Public Utilities Commission and is expected to continue for several more days.

The proposed rates are for the city of Marion and are based on the cost of service. The rates are expected to be higher than the current rates, but the commission believes they are necessary to cover the cost of the new equipment and the increased demand for service.

The hearing is open to the public and anyone who wishes to present testimony or make suggestions can do so. The commission will consider all testimony and make a decision on the proposed rates.

ILLNESS IS FATAL TO JOHN PRICE

John Price, 62, died of a heart attack last night at his home in Marion. He had been ill for several days and his condition had worsened.

Mr. Price was a well-known resident of Marion and was loved by many. He was a member of the local church and was active in the community.

His funeral will be held tomorrow at the local funeral home. He will be buried in the local cemetery.

DEADLINE TONIGHT FOR HOBBY ENTRIES

Boys and girls who wish to exhibit in the annual hobby show must have their entries in by tonight. The show is being held at the local high school and is open to all.

The hobby show is a great opportunity for boys and girls to show off their talents and to win prizes. There are many different categories of hobbies and everyone is encouraged to participate.

The deadline for entries is tonight at 5 p.m. Entries will be accepted until then.

MINNETONKA GROUP PLANS NOMINATIONS

Three applications were received at a meeting of the Minnetonka Group last night. The group is planning to hold elections for its officers and members.

The applications were for the positions of president, vice president, and secretary. The group will vote on the applications at its next meeting.

The Minnetonka Group is a local organization that is dedicated to promoting the interests of the community. It holds regular meetings and is open to all.

OTHER UNUSUAL EXPENSES

The city of Marion is facing several unusual expenses that will increase the cost of service. These expenses include the purchase of new equipment and the cost of increased demand for service.

The city officials are trying to find ways to cover these expenses without raising rates. They are looking for ways to reduce costs and to increase efficiency.

The public is encouraged to provide suggestions for how to cover these expenses. The city will consider all suggestions and make a decision on the best way to proceed.

ULTIMATUM EXPIRES ON CORONATION DAY

The ultimatum issued by the city of Marion to the Public Utilities Commission expires on Coronation Day. The city is demanding that the commission accept the proposed rates or face the consequences.

The commission has not yet made a decision on the proposed rates. The city is growing impatient and is threatening to take legal action.

The public is encouraged to support the city's position. They should let the commission know that they are not willing to pay higher rates.

he stayed in the first. The clergy—
Catholics, Protestants and Jews—
marched a minute, and the
members of the first of the College
of Physicians and interested stu-
dents. Foreign friends and public
officials also took their place in
the line of march.

The program ended with an oration
by James Wilson, a notable
fired by the militia and a sumptuous
dinner. At the banquet, there
were two toasts: the first, by the
porter, was a toast announced
by the blast of a trumpet and
swayed by a band of artillery.

The first toast was to the
people of the United States, the
second to General Washington, and
the third to the King of France.
Then the celebrator fired up their
alcohol again to wish the party
with a final toast to the whole
family of mankind. Even the hated
Folies who had tried to cut
the Revolution were included in
this one. It was the drawing of a
national conclusion. In their
view of a united country that
preserved to them their hard won
birth, the patriots were willing to

OMAR PLAN!**

OMAR *Certified* FRESHNESS

"I bring to your door
ONLY TODAY'S
BREAD"

ALL YESTERDAY'S
Omar Bread is sold in our
"returned-goods"
store

Omar baked goods are never carried over to the second day. All that remain unsold each evening are disposed of through our own "returned-goods" store. The Omar 800 Bread which is delivered at your door is always today's bread.

No of bread
President,
OMAR BAKERY

● What a disappointment, when you open a new-bought loaf of bread, to find that it just misses having the fresh, new-baked flavor you thought you were getting!

And this happens all too easily—when you try to judge freshness by the "feel" of the loaf. The fact is, bread goes on feeling soft long after it has lost its first aroma and flavor!

That's why women are so enthusiastic about the Omar plan of *certified* freshness.

Under this plan, you take no chance whatever. Without fail, you get today's bread, every time!

Hail Omar, your baker man! Directed from the ovens to your door he brings you gloriously fresh Omar 800 Bread . . . golden loaves still fragrant with new-baked flavor!

TUNE IN! on Omar's Mary Baker program Station WBNS 1 80-1 45 P. M. every day except Sundays

Final Concert of Civic Orchestra Is Broadcast

Group Makes Radio Debut as Season Closes, Guest Soloist Unable To Appear

EDNA S. DETTON

The Civic Orchestra of Marion, Ohio, gave its final concert of the season at the Marion High School auditorium last night. The program was broadcast over the radio by the Marion station.

The orchestra, under the direction of Mr. J. E. Anderson, gave a fine performance of the program. The program included a variety of orchestral works, including a symphony by Beethoven and a concerto by Chopin.

The guest soloist, Mr. J. E. Anderson, was unable to appear due to illness. The orchestra performed the solo parts of the program with great skill and precision.

The concert was a great success and the audience was very appreciative of the orchestra's performance. The orchestra will be back in Marion next season.

Vendol Gave Amazing Relief From Chronic Constipation

"I'm just overjoyed at results I got from this wonderful medicine. Also relieved of gas, bloating and nervous indigestion."

No. 1 Med. Co. of 1130 E. 1st St., Marion, Ohio. For those who know what it is to suffer from chronic constipation, the relief is a blessing. I have suffered from this for years and have tried many remedies without success. But after using Vendol, I feel like a new man. My bowels are regular and I feel much better.

MRS. NORMA MELROY

Vendol helps clear away the mucus that builds up in the bowels. It is a laxative, mild, and does not irritate the bowels. It is a true relief for those who suffer from chronic constipation.

WHAT TO DO

Too few people know WHAT TO DO when called upon to make funeral arrangements. The emotional strain resulting from the death of a member of the family is a great burden. A careful selection of a casket and a funeral home is of great importance.

Machine Plucks 'Breeze' From Calm

BY HOWARD HARRIS

Associated Press Science Editor

GREENSBORO, N. C., May 10.—A machine which plucks a breeze from the calm is being used by the U. S. Navy to study the behavior of the atmosphere.

The machine, known as the "Breeze Plucker," is a small, portable device that can be used in any location. It is used to create a controlled breeze, which is then measured and recorded.

The purpose of the machine is to study the behavior of the atmosphere under different conditions. This information is used to improve weather forecasting and to understand the effects of climate change.

WORKERS DISCUSS UNIONIZATION PLAN

Action on A. E. A. Charter Deferred Till Sunday

The workers of the A. E. A. discussed a plan for unionization last night. The plan was to form a union to represent the workers in their dealings with the company.

The workers discussed the benefits of unionization, including better wages, improved working conditions, and the right to collective bargaining.

The plan was approved by the workers, and they will be holding a vote on the plan next week.
